My School

<https://senatorquiz.vercel.app/portal/school>

View approval status, registration number [SAEAC-2026-0001](#), LGA, and coordinator details.

Our Team

<https://senatorquiz.vercel.app/portal/school/team>

View the five-student roster: three Strikers and two Assists. Try adding a sixth student—the database enforces the limit. Record or withdraw consent and upload photographs.

Registration

<https://senatorquiz.vercel.app/portal/school/register>

Review the five-step registration wizard. It is read-only because the school is approved.

Volunteering

<https://senatorquiz.vercel.app/portal/volunteer>

Displays the state indicating that the school has not submitted a volunteer application.

04 Judge & Change Maker

Judge — `judge@test.com`

<https://senatorquiz.vercel.app/portal/match>

The judge sees only the assigned Grand Finale match.

- Striker answer: **+1 point**
- Assist answer: **+0.5 points**
- VAR referral: **0 points**
- Coach substitutions

Seeded score: **2.5 versus 1.0**. Events are append-only; corrections use logged adjustments.

Change Maker — `volunteer@test.com`

<https://senatorquiz.vercel.app/portal/volunteer>

The account is accepted and assigned to the **Grand Finale Check-in** shift at the **Registration desk**. Two volunteer briefings are available.

07 Important notes

- The database contains two schools, one approved school, one pending school, a complete five-student roster, two judges, an accepted volunteer, a live match, scores, nine accreditation badges, venues, fixtures, and a news article.
- Public pages display approved information only. Pending schools and student records remain private.
- Security is enforced in Postgres, not only in the interface. For example, `school@test.com` should be redirected away from the admin portal.
- `/schedule` and `/news` may be cached for up to one hour. `/live` and authenticated portal pages update immediately.
